*"This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God."
11 Corinthians 9:12*

On behalf of St. John Lutheran Church and School, I want to thank you for resetting the signs for our church and school. They both are great and certainly help us spread the "Word" to the community we serve.

We have a wonderful facility here that is not only made up of people, but also of bricks, mortar and signs, etc. As you know these things need attention at times and you have chosen to show your love for God and His people by showing your love for the House of God.

We very much appreciate your time and support of our ministry that we share together. Please be sure to extend our thanks to your associates at Hutchison Signs as well!

In Christ,

Pastor Phil Krupski
